of the

Take a Chance...Bid your Best 2008 Auction

With your help, the auction was not only a
social success but a financial success as
well!

Don't forget to check out our website later in the
spring to view some of the wonderful teacher
requested items that we have purchased with the
funds raised at the auction.

Our website also contains a link that accesses
Amazon.com. Through this link you can make
purchases on the Amazon website and BSDC gets a
percentage from every purchase made through this
special link. The only catch is that you must
access Amazon through the link on our website!
