

Welcome Mosaic Point of Sale & MySchoolBucks Online Meal Payments

Dear Parent or Guardian,

The Nashoba Regional School District's Food & Nutrition Department recently evaluated many different computerized Point of Sale (POS) systems to increase the level of service and provide accurate school meal accounts. After reviewing several systems, we are excited to announce we have purchased Mosaic® POS. We are currently preparing to implement this new system with an expected launch dates of **December 6, 2016 at The Hale Middle School and the Center School, December 7, 2016 at the Florence Sawyer School and the NRSD High School and December 8, 2016 at the Mary Rowlandson and Luther Burbank Middle Schools.**

For the first few days our lunch lines may be a little slower, but once students familiarize themselves with this new system, they will be much faster than before. Breakfast service will also be processed using this system at the high school.

Students will continue to use their current meal PIN that they have been using all year long. This ID number will stay with the student until he/she graduates.

If your child has qualified for free or reduced meal prices, this information will be noted in the system, and the meal will be processed just as it is for all other students, without any special indication to the students. If you have not yet filled out a new Free & Reduced Meal Application for this school year, please do so as soon as possible.

We are also excited to offer **MySchoolBucks®!** This secure online payment service provides a quick and easy way to add money to your student's meal account using a credit/debit card or electronic check. This service allows you to deposit money directly into your child's school meal account and view balance/purchase information for the past ninety days. By having money in each child's account prior to entering the cafeteria, the lunch lines will move along much faster, which gives your child more time to eat and be with friends. You can also view recent purchases, check balances, and set-up low balance alerts for **FREE!**

The MySchoolBucks Online Payment Service will be available starting 12-05-16
